JARDINE JUSTIFIED: THE TRUTH ABOUT THE ASHES

An account of the England's 1932-33 Bodyline tour of Australia.

First edition. 8vo. xx + 240pp. 16 plates. Contained within the original very rare dust-wrapper, which is heavily rubbed with large chips to the front. The rear flap is missing as is part of the spine all the way down. Despite the obvious problems with the dust-wrapper the book itself is very good and a wrapper in any condition is hard to find.
